LinkedIn: Tala Abusheha

GitHub: talaabusheha

## PROFESSIONAL SUMMARY

Results-driven Front-End Developer with strong hands-on experience in building responsive, user-centered interfaces using HTML, CSS, JavaScript, Bootstrap, and Tailwind CSS. Skilled in transforming Figma UI designs into clean, pixel-perfect web pages and developing reusable components with a focus on performance, scalability, and modern design principles.

Experienced in Flexbox, CSS Grid, and responsive design techniques to deliver fully adaptive layouts across all screen sizes. Demonstrates strong attention to detail, clean code practices, problem-solving skills, and version control using Git/GitHub.

Currently expanding and improving multiple projects hosted on GitHub, with a commitment to continuous learning and delivering high-quality front-end experiences

## EDUCATION

### Al-Azhar University of Gaza

Gaza, Palestine

Bachelor's Degree, Software Engineering

2023-2028

- Relevant coursework: Software Design Patterns, SOLID Principles, Agile Methodologies
- Focus on Algorithms and Data Structures, Database System

### Basheer Al-Rayes School

Gaza, Palestine

Diploma in Scientific Stream (Science)

2020-2023

- Participated in a STEM-oriented IT program
- GPA: 4.23(84.6%)

## PROFESSIONAL EXPERIENCE

### Front-End Developer (Projects Experience)

Gaza, Palestine

2024- present

- Built responsive interfaces using HTML, CSS, JavaScript, Bootstrap, and Tailwind CSS
- Converted Figma designs into pixel-perfect web pages with reusable components.
- Developed multiple front-end projects and published them on GitHub.
- Implemented Flexbox and CSS Grid for fully adaptive layouts.
- Used Git/GitHub for version control and collaborative workflows.
- Improved performance and solved layout issues across different browsers.

### Software Engineering Intern — Code Tech Company

#### Java Trainee (Jul 2025 – Sep 2025)

- Trained in **Java programming**, gaining a solid foundation in OOP, problem-solving, and writing clean, structured code.
- Completed practical exercises and mini-projects under supervision, improving debugging and logical thinking skills.

#### Front-End Development Trainee (Nov 2025 – Jan 2026)

- Completed a full **Front-End Development course** covering HTML, CSS, JavaScript, Bootstrap, and Tailwind CSS.
- Built responsive user interfaces and reusable UI components following modern front-end standards.
- Converted Figma designs into pixel-perfect web pages with optimized layouts.
- Used **Git/GitHub** for version control and collaborative workflows.

### Workshops & Additional Training

- Participated in the **Digital Identity & Self-Marketing Workshop** with Eng. Alaa Al-Masri, enhancing digital presence and LinkedIn branding.
- Attended a hands-on **Git & GitHub Workshop** with Eng. Mohammed Abu Al-Qumbuz, learning version control best practices and workflow management.

# TECHNICAL SKILLS

---

- Programming Languages:** JavaScript, Java (Basics)
- Front-End Technologies:** HTML, CSS, JavaScript, Bootstrap, Tailwind CSS
- UI/UX & Design Conversion:** Responsive Design, Figma-to-HTML, Pixel-Perfect Web Pages
- Layout Systems:** Flexbox, CSS Grid
- Version Control:** Git, GitHub (branches, commits, merging, publishing projects)
- Tools & Workflow:** VS Code, GitHub Projects
- Soft Skills:** Problem-Solving, Clean Code, Code Organization, Continuous Learning, Time Mangment

# PROJECTS

---

## Single-Section Portfolio

- Developed a clean and responsive single-section portfolio page using **HTML and CSS**.
- Applied modern design principles and organized code structure for better readability.

## Personal Portfolio Website

- Built a fully responsive personal portfolio using **HTML, CSS, JavaScript, and Tailwind CSS** to showcase skills and projects.
- Focused on writing clean, structured code and creating reusable UI components.
- Ensured full responsiveness across different screen sizes and devices.

## Ongoing Projects

- Currently working on multiple new front-end projects and will be uploading all of them to **GitHub** soon.

# LANGUAGES

---

- Arabic:** Native
- English:** Intermediate
